WHY IQAC?

The IQAC is meant for planning, guiding and monitoring Quality Assurance (QA) and Quality Enhancement (QE) activities of the HEIs .The IQAC may channelize and systematize the efforts and measures of an institution towards academic excellence. It should not be yet another hierarchical structure or record-keeping exercise in the institution; it would be a facilitative and participative organ of the institution. The IQAC should become a driving force for ushering in quality by working out intervention strategies to remove deficiencies and enhance quality.

Goals

1. To develop a quality system for conscious, consistent and catalytic programmed action to improve the academic and administrative performance of the HEIs;

2. To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

The IQAC shall have the following functions

• Development and application of quality benchmarks/parameters for the various academic and administrative activities of the HEI;

• Facilitating the creation of a learner-centric environment conducive for quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process;

• Arrangement for feedback responses from students, parents and other stakeholders on quality-related institutional processes;

• Dissemination of information on the various quality parameters of higher education;

• Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles;

• Documentation of the various programmes/activities of the HEI, leading to quality improvement;

• Acting as a nodal agency of the HEI for coordinating quality-related activities, including adoption and dissemination of good practices;

• Development and maintenance of Institutional database through MIS for the purpose of maintaining /enhancing the institutional quality;

• Development of Quality Culture in HEI;

• Preparation of the Annual Quality Assurance Report (AQAR) of the HEI based on the quality parameters/assessment criteria developed by the relevant quality assurance body (like NAAC, NBA, AB) in the prescribed format;

• Bi-annual development of Quality Radars (QRs) and Ranking of Integral Units of HEIs based on the AQAR;

• Interaction with SQACs in the pre and post accreditation quality assessment, sustenance and enhancement endeavors.

Follow Up

• The AQAR shall be approved by the statutory bodies of the HEIs (such as Syndicate, Governing Council/Board) for the follow up action for necessary quality enhancement measures.

• The Universities shall regularly submit the AQARs to the NAAC/other accreditation bodies. The Colleges shall regularly submit their AQARs to the affiliating University, state level quality assurance bodies, NAAC / other accreditation bodies.

• All HEIs shall submit AQARs and/or Quality Radars (QRs) and follow up reports of AQARs to the UGC as and when called for.

• The IQAC must create its exclusive window on its institutional website, to regularly report on its activities, as well as for hosting the AQAR.

Benefits of IQAC

a) Ensure heightened level of clarity and focus in institutional functioning towards quality enhancement

b) Ensure internalization of the quality culture;

c) Ensure enhancement and integration among the various activities of the institution and institutionalize good practices;

d) Provide a sound basis for decision-making to improve institutional functioning;

e) Act as a dynamic system for quality changes in the HEIs

f) Build an organized methodology of documentation and internal communication.

TRANSARENCY

Annual Quality Assurance Report (AQAR) will be sent to the affiliating University and will be posted on college website on regular basis. Annexure 1 will be used for this purpose.
